

# המשיח THE MESSIAH

A SERMON SERIES ON THE GOD'S MESSIAH JESUS

## THE MESSIAH: ONE OF A KIND

### WELCOME.

**Ice Breaker Question:** Describe the person on your left and right in one word.

### WORSHIP.

**Sing:** KING OF KINGS

### WORD.

**Introduction:** Last Sunday, Pastor Jon unpacked the teaching on the divine and human natures of Jesus. This is a mystery we will probably never fully understand until we get to heaven. Christ's two natures—his deity and humanity—referred to by theologians as the hypostatic union is understood to be the Messiah's undiminished deity and perfect humanity united forever in one person, making Jesus unique—one of a kind.

**Scripture:** John 1:14-18, Philippians 2:6-11, Colossians 1:15-19.

**Sermon Discussion:** Pastor Jon shared the following sermon points about the uniqueness of Jesus:

1. **THE IMPLICATIONS OF THE INCARNATION (John 1:14-18)**
  - A. The incarnation of Jesus implies a single pre-existent form.
  - B. The incarnation of Jesus implies a special cosmic transition.
  - C. The incarnation of Jesus implies a spectacular demonstration of power.
2. **THE INDICATIONS OF THE INCARNATION (Philippians 2:6-11):**
  - A. The incarnation of Jesus indicates His sovereign will.
  - B. The incarnation of Jesus indicates His servant's heart.
  - C. The incarnation of Jesus indicates His sacrificial love.
  - D. The incarnation of Jesus indicates His special personality.
3. **THE IMPORTANCE OF THE INCARNATION (Colossians 1:15-22)**
  - A. The incarnation of Jesus reveals God's person (vv. 15-17)
  - B. The incarnation of Jesus reveals God's purpose (vv. 18-19)
  - C. The incarnation of Jesus reveals God's plan (vv. 20-22)
